- Jewels for Hope

Saint Rocco

Is the Patron Saint of Potenza Lodge, 1900 W 38th Ave, Denver, Colorado. For decades the members of Potenza Lodge have celebrated the life and good deeds of St. Rocco with a Feast/Bazaar held on the third weekend of August. During this Celebration a Sunday Mass is held at Our Lady of Mt. Carmel Church. Following the mass, parishioners bid for the right to carry the Statue of St. Rocco in a procession throughout the neighborhood. The parishioners pray to St. Rocco for the winning family throughout the year. The money raised from the bidding is donated to the Church. A Statue of St. Rocco is also displayed during the feast at Potenza Lodge. You are invited to join us in celebration of this strong Italian Tradition
