Comments From The President

Holiday Greetings:

It's hard to believe that this is my last letter to all of you. I want to thank you all for the privilege of serving as your President these last two years. We have had some ups and downs, but over all it has been a great experience. I especially want to thank all my fellow officers for their help and support. I couldn't have done it without you.

Your new President, Rod Fiore, will need that support, too.

We accomplished a few things these last two years and I really hope we can continue to make improvements in our lodge and to bring in more new young members, you are the lifeblood of this Lodge and we really like to see more of you each month.

Thanks again for allowing me the honor to be your President and I hope that 2009 will be a much better year for all of us.

Merry Christmas and Have a great New Year.

God Bless you all
Ciao
Bill (Billy) Buscietta
