Dear Brothers and Sisters of Potenza Lodge,

It is an honor to become President of Potenza Lodge with a challenge to follow Billy Buscietta who has done a wonderful job as President. The year ahead is filled with all kinds of issues that we have to face; Carnivale, Casino Night, the Feast, not to mention the lodge building itself. I have a wonderful committee to help me. A lot of these issues will need help from the membership and past presidents, both in time to serve on different committees and provide me with their learned expertise, knowledge & experiences. In the past it has been said that the men do not communicate with the women. I'd like to offer my assistance to the women on any issue at any time. So let me help with the communication with the ladies president, Adeline Beaty and her board.

This year we are allowing the women from the lodge with the proper lineage to join the men. This is a huge step to get the lodge into the modern age of gender acceptance.

The lodge is trying to go green with the installation of new windows and some additional controls in the boiler to help save energy and hopefully save some money. What we found out with the boiler is it is on its last leg. It could last a year or two but in the near future it will fail and we will have to replace it. Steps are in the works to help replace the boiler and more information will be given when we know more.

I hope I will do the best job as I can for the future of the lodge. Thank you all for your support in this year and the coming years.

Ciao  
President

*Ralph Acierno*

### Auxiliary President Comments

**D**ear Ladies, I am so proud for the honor to be your President for the next 2 years, we had a very active 1st quarter and looking forward to new adventures for the next quarter.

Make sure you read your newsletter for dates and activities.

I will be working closely with the Men's club and their new president, my Brother Ralph. We are very proud to be working together.

I am very grateful for the wonderful board that I shall be working with and they have some great ideas. If you need anything just know that I am just a phone call away, it is not just the board working together but the entire membership. I am always open to your ideas and comments.

Wishing you all God's Blessings  
Ciao

President, Adeline Beaty

### Charity Committee

#### Wendy's Family

As you prepare for our monthly meetings, please remember to bring non-perishable food items with you for Wendy's family. Wendy is an eleven year old girl who is terminally ill. She and her family (parents and a younger sister) face overwhelming challenges on a daily basis. A full pantry relieves this struggling family of one worry, and they are very grateful for the lodge members' ongoing support with this project. They also appreciate you keeping them in your thoughts and prayers!

### New Project - Soles 4 Souls

Please check your closets for any shoes; Men, Women, Children. They will go to families in need. Working together our Lodge does make a difference in the lives of people in all of the service projects.
